

Acorn Designs Displays

Good display of any product certainly enhances sales. We hope you will consider an Acorn display to help you have a focal point for our products.

In keeping with Acorn's philosophy, we make countertop display units from recycled pallet wood. These re-purposed woods are rustic and natural looking and fit well into any shop. Often made from oak, these woods are beautiful! Units are sanded and lightly finished, and have the Acorn logo silk-screened on the front. We offer the following standard sizes in our wooden displays, but can produce custom units as well. Call us for details.

Small Display (PD10): fits 2 Pocket Journals or notecards across, 3 shelves high. Approximately 12" across, 12" tall and 10" deep.

Mini Journal Display (PD12): fits 3 Mini Journals or notecards, 3 shelves high. Approximately 14" across, 12" tall and 10" deep.

Medium Display (PD15): fits 3 Pocket Journals or notecards across, 4 shelves high. Approximately 18" across, 16" tall and 15" deep.

Bookmark Display Unit (BDU) Our handsome wooden countertop holds 12 bookmark designs. Approximately 13" across 14" tall and 7" deep.

"Spinners" are perhaps the most space efficient way to display notecards. Many different sizes are available. The unit shown here is a 24 pocket spinner for countertop display. Floor Units are also available with common sizes being 36, 48 or 72 pockets.

Large Display (PD25): fits 5 Pocket Journals or notecards across, 4 shelves high. Approximately 28" across, 16" tall and 15" deep.

Framed in maple, our Free-Standing Wooden Display units are a great way to showcase our products. These are 2-sided units, which stand just under 6 feet tall to the top of the header, which has our company name silk-screened across the top. Shelves come in 2 sizes: smaller shelves appropriate for notecards, and larger shelves for journals. Shelving is available in various configurations. Units come in widths of 24", 30" and 36".

We also offer the option to view and order our products online at www.acorndesigns.org order hotline 1-800-299-3997 or mail to: Acorn Designs, 5066 Mott Evans Rd., Trumansburg, NY 14886
